THE TRIAL

INSIDE THE ACADEMY

TRAIN LIKE ONE OF OURS.

An Academy Trial puts one player, aged 15 to 19, inside FC Odisea's real routine for 5 to 14 days, arriving on whichever day suits your flights. Morning sessions with our women's academy squad, the same coaches, the same pitch, the same meals and apartments as enrolled players. At the end, the family receives a written evaluation from the coaching staff.

TRAINING WITH THE ACADEMY

Morning sessions Monday to Friday with the women's academy squad, and match days with them.

EVALUATION & WRITTEN REPORT

The coaches watch every session. The family receives a written evaluation at the end of the stay.

LIVE LIKE A MEMBER

A room in an Academy apartment, meals where the squad eats, the squad shuttle to training.

LOOKED AFTER

Accident and medical cover, Academy physio on site, and club staff reachable around the clock.

MATCH DAY WITH THE SQUAD.

The player joins the squad's week on the day they arrive. Weekdays are built around the morning session. What follows is a normal week; schedules can change.

WHEN	WHAT HAPPENS
MORNING	Breakfast with the squad, shuttle to Ciudad Deportiva FACSA, training session with the women's academy squad, gym or recovery as scheduled.
MIDDAY	Lunch where the players eat. Physio available for anything that needs looking at.
AFTERNOON	Free time, rest, study. Afternoon sessions with local partner academies can be arranged on request, at no extra cost and subject to availability.
EVENING	Dinner at the apartment: the evening meal is prepared by the restaurant and picked up at lunchtime. Club staff are reachable around the clock.
WEEKEND	The squad's league match, usually at the weekend: the player attends with them rather than playing. Friendlies are where they play, at the weekend or midweek. Meals and accommodation continue every day.

Every trialist is a guest of the Academy for the whole stay. A player we house shares an apartment with squad players aged 18 or over; no staff live in the apartment, and club staff are reachable around the clock, as for enrolled players. For players under 18 a parent or guardian signs the trial agreement, medical authorization and consents before travel.

CHOOSE HOW MUCH WE TAKE CARE OF

Every package is the same trial on the pitch. What changes is how much of the stay around it the Academy handles.
